

***“At Nobles Construction Ltd we are striving together to provide a safe and healthy working environment for our people and all those affected by the work we do.
This poster statement is a series of actions to underpin our commitment to you.
Your Safety and Health is our priority!”***

Communicate and control risk at all work locations

Only use approved and competent sub-contractors

Manage all our work activities with regards to Health & Safety

Make compliance our minimum standard

Induct everyone before they undertake any work activities

Training requirements for all our people will be delivered as required

Monitor the Health & Safety standards on all our projects

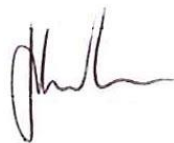

Ensure we provide the necessary resources to complete work safely

Never knowingly walk past anything we believe to be unsafe

Take all the required action to minimise the risk on all Nobles sites.
